

I am very disturbed by Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary. The election is only weeks away and this seems to be a clear attempt to influence the outcome of the election. I think Senator Kerry should be given equal air time, perhaps by showing Up River. Sinclair's decision is dangerous to the democratic process.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest.

Sinclair's actions show why we need to strengthen media ownership rules. Thank you so much for considering this important issue.
